## Your ultimate itinerary

### Itinerary Broome to Darwin:

#### Day 1 - Arrive Broome

Arrive into Broome and settle in to your four star accommodation.

#### Day 2 - Buccaneer Archipelago

Take a light plane from Broome where you will head to the Cygnet Bay Pearl Farm for a private tour of the oldest operating Pearl farm. Mid-morning the crew will welcome you aboard superyacht Phoenix One where you can enjoy the changing landscape as you cruise past the Iron Islands towards Talbot Bay.

#### Day 3 - Horizontal Falls

Wake to the phenomenon of Horizontal Falls, described by David Attenborough as "one of the greatest wonders of the natural world". After the thrill of the falls, cruise to Doubtful Bay. Exploring Red Cone Creek by tender, you will adventure to either Ruby or Sapphire Falls. Here you can enjoy a dip, with the opportunity to drop in a crab pot to catch dinner.

#### Day 4 - Montgomery Reef

The largest inland reef formation in Australia, Montgomery Reef is a must-see feature of the Kimberley. This amazing living reef system spanning 80km was once home to the local Yawijibaya Tribe. Each day multitudes of turtles, dugongs and rays can be spotted feeding alongside the reef. After a trip up Trevally Alley you have the chance for a swim at Deception Bay.

#### Day 5 - Camden Harbour

Historic Camden Harbour settlement was once promised as the next Sydney Harbour to the first European settlers in the Kimberley. We will enjoy a scenic cruise through to Port George and Treachery Passage to Saint George's Basin. In the afternoon we cruise to Prince Regent Harbour where we will explore by tender and drop in a line to fish for Barramundi and Mangrove Jack.

#### Day 6 - King Cascade

Named after Philip Parker King, King Cascade waterfalls are a spectacular sight in full flow with cascading water surrounded by lush ferns. After a climb to the top of the falls to soak in the beautiful freshwater pools you can explore the river finding more famous Gwion Gwion rock art on the Northern banks.

#### Day 7 - Careening Bay

Wake up in the beautiful Careening Bay landscape and venture onshore to visit the heritage-listed boab tree. This was once the site of beach explorer vessel HMS Mermaid, captained by Phillip Parker King. Roe and Hunter Rivers both discharge into Prince Frederick Harbour offering stunning scenery with vibrant sandstone cliffs, ancient rock art and impressive crocodiles.

#### Day 8 - Prince Frederick Harbour

Enjoy a last breakfast on board superyacht Phoenix One with Prince Frederick Harbour offering a stunning final backdrop to your Kimberley adventure. Watch as your Mallard float plane lands on the water before crew assist you aboard. After a fond farewell your next adventure begins over the rugged terrain of the Kimberley through to Darwin.

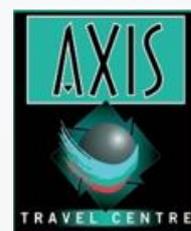

#### Day 9 - Depart Darwin

After check-out this morning, your ultimate package comes to an end.
