Lover’s Deep Luxury Submarine

At \$150,000 a night, the Lover’s Deep Luxury Submarine Hotel, St Lucia, is the most expensive hotel in the world. The 5-star accommodation is beneath the waves where you will be staying in a submarine which includes a private captain, chef and butler. The Lover’s Deep Submarine is fully equipped with the ultimate in luxury, as well as helicopter transfers, beach landings and champagne-soaked breakfasts.

Palms Casino Resort Empathy Suite

The Empathy Suite at The Palms, Las Vegas, is the second most expensive hotel room in the world at \$100,000 a night. With a two-night minimum stay the suite is located on the upper floors of the 40-story Palms Casino Resort, with a view of the shimmering lights of the Las Vegas Strip.

Hotel President Wilson Royal Penthouse Suite

Hotel President Wilson Royal Penthouse Suite, Switzerland, is located on the entire top floor of the hotel and has a panoramic terrace with breathtaking views over Lake Geneva and charges \$80,000 a night. The wraparound terrace comes complete with a telescope for stargazing on clear nights. The two master bedrooms have a vast walk-in dressing room and a marble bathroom with a jacuzzi facing the lake, as well as a separate shower, steam and mirror TV. There is also a private gym, chef and chauffeur available to you at all times.

Four Seasons Hotel

The Four Seasons Hotel in Las Vegas, attached to Mandalay Bay Resort and Casino, charges \$60,000 a night. This luxe, art deco style hotel features floor-to-ceiling windows, as well as mountain or street views. The hotel offers free Wi-Fi, marble bathrooms, minibars and coffeemakers, as well as flat-screen TVs. There is also the choice of an Italian restaurant/bar, an upscale steakhouse and a cocktail bar. If that wasn’t enough there is also an outdoor pool, waterside bar and spa!
