Our Holland America Line (HAL) Cruise was ultimately cancelled by HAL due to Covid 19, but Max Najar provided guidance on the options available to us, guidance on awaiting the moves by HAL and ensuring we maximised the benefits of our original deposit – we doubled its value! ..... kept us abreast of developments as they occurred – excellent advice and support! Max protected our original in air fares, transfers and accommodation – refunds were received. We secured the best possible outcome.....Other elements such as air fares, accommodation and transfers were all protected. Well done! We have travel plans in the system right now for 2022 and also have a plan emerging for 2023 – all travel will be done through Max and his team. .... “ COVIT-19 – What have we learned? . So what lessons did I learn from COVIT-19 and what advice would I give to someone about to travel.

1:Use an accredited travel agent to organise your travel. The internet has made it a breeze for anyone to book and pay for their travel online. It’s great fun playing travel agent and finding that absolute bargain, be it an airfare, accommodation, insurance, or a tour. It’s so easy. What could possibly go wrong? Well how about natural disasters, political and social unrest, airline bankruptcy, and of course COVIT-19 just to name a few. Thankfully these events are rare but if one of these things happens while you are overseas or about to travel, then you need all the help you can get and a good travel agent is hard to beat.

All our clients who booked their travel and insurance with Axis had little or no out of pocket costs. Those who did not book their travel and/or insurance with Axis .....they were on their own to deal with whoever they booked their travel with, and with their insurance company if they had to make a claim.

2. Make sure you have good travel insurance Our experience following the cancellation of the May 2020 tour during the COVIT-19 virus outbreak is very clear. Quality travel insurance is absolutely essential. Cheap products including those linked with some credit cards are to be avoided and in the event of having to make a claim, you will be on your own. A low price will almost certainly mean significant claim limits and exclusions including not covering pandemics and epidemics. You should carefully read the PDS Product Disclosure Statement of the policy you intend to buy so you know exactly what it covers.

You are strongly urged to purchase your insurance at the time you pay your deposit. Some policies will not protect you if taken out after you have paid for your travel.

You are spending thousands of dollars on the holiday of a lifetime. So why risk all that money by skimping on insurance? It does not make sense and if something does go wrong, it will almost certainly be a case of false economy.

Raffaele T. “Learn Italian in Lecce ..

---

Thank you for all your work to get the best outcome for us , Judy and I are definitely going to book next time Lecce May is offered .Thanks again , King regards , Jan .

Dear Max, Congratulations on being named a Great Performer. Working through the weekend to locate and expedite the return of the mother of a dying girl must have been greatly appreciated by the family. Your handling of this delicate and difficult situation clearly demonstrates your dedication to American Express and our commitment to customer service.

Quality service is the cornerstone of American Express, and I must express my deep appreciation for the way in which you handled these sensitive and timely arrangements. Your actions clearly show your commitment to providing prompt and efficient services to all who need them. Again, my thanks and congratulations. Tommaso Zanzotto, AMEX CEO-NYC

Max, On behalf of all at World Access Australasia and ACC General Insurance, I would like to thank you most sincerely for all your efforts over Easter in helping the family. In what was a tragic situation, the family have expressed their gratitude for enabling Marilyn to be reunited with Cathy. It is satisfying to be able to use our emergency assistance facilities in conjunction with your own to bring such excellent service to an Australian traveller. I look forward to continuing this co-operation in the future. Again, many thanks for your valuable expertise. .... Dr Kendall NSW

I am very pleased. I thank you for the way you and Raffaele have handled the matter of refunds. Again thanks and kind regards, Lorre (LECCE TOUR). -----

There's "a whole lot of lovin" on that "stairway to heaven" Max, - you're a Legend ! Vicki

Almighty and most powerful "MAX THE GREAT ONE", how thankful we are to have you as our Travel Agent/Office. Not only have you been awarded many high and prestigious distinctions for your fantastic efforts and achievements, but your clients know you truly are the "GREATEST" as well. Not only have you planned our trip with us, and advised of the many extras available, but also strongly advised of better valued products, hotels rooms, cars, tours, theatre, seating and even the pilots and so much more.. And even to the stretched Limo and Wedding Anniversary cake!.. DOUG L.

Mr Najjar, Please accept my personal congratulations and deepest thanks for your tremendous efforts to overcome multiple, complex obstacles to reunite a family at a time of great distress. Their story and your compassionate handling of the situation is among the most moving examples of a Great Performer that I have ever heard. It is this kind of spirit and dedication that have made American Express the best service company in the business. I am very proud of you.

I know a great performer like you gets a great deal of personal satisfaction out of providing excellent service and that extra measure of help to our customers every day of the year. That is what has made you a winner this year, in every sense of the word. The Great Performer Grand Prize you have won indicates the tremendous value American Express places on your efforts, and the company's deepest appreciation for the example you have set for all of us.- JAMES LI-Amex NYC

"Max and his crew have always display consummate professionalism, honesty and competence with our trips. For national travel I always organise it myself, but for international travel their experience, knowledge, contacts, resources and advice have always proved bang on, and immensely valuable. Max & Co. have been in the game for decades, and they know the game better than anyone else. Their counsel is wise, and well worth the price of admission.. Nothing could be as expensive as a cheap trip.": Julian P.

My husband and I hold the Management and Staff of Axis Travel in very high esteem, their credibility is beyond reproach and attention to detail is undeniably first rate. Thanks again Max and Co for a great trip and safe return. Brian .

*Absolutely exceptional service. Whether it's an overseas trip or just an interstate weekend away there is always so much attention to detail. Max and his staff are the best!*

---

It is wonderful to see that through your tireless efforts that justice has finally prevailed. The way you assisted your clients during this period makes you stand out amongst the rest. I am sure in similar situations there may be businesses who would have pursued the fraudster relentlessly but, there would be very few who would have used their own funds to repatriate their stranded clients. This was a truly honourable act. Carol

---

*"Back home safe and sound. My holiday was fantastic, much of which was due to the itinerary you had arranged for me. Have completed the survey. Wanted to say that I enjoyed the river-boat cruise more than the massive ship experience – mainly because of the more personalized service (due I know to the smaller numbers). The fear was that I would get lost trying to find my way around, or miss a plane and feel somewhat lost in the enormous airports. Again, not a problem, due to your excellent service of providing pick-ups etc. I travelled all those 6 weeks without a hitch.Thanks again for all your help. Top class service.- Margaret B."*
